AND Can We Do It?**

Saturday May 25th, 2019

9:30 am – 2:15 pm

GEORGINA ISLAND COMMUNITY CENTRE

The path to the Fixed Link is long and complicated. It is a project scale that our community has not attempted in the past.

We need technical support to guide our community through the initial phases of this project.

At this meeting, we will listen to several potential professional service firms that are bidding to work with us the help us design our path to the:

GEORGINA ISLAND FIXED LINK

You will have the opportunity to provide direct input to leadership on what technical team will help us through 2019-2020.

Meeting is for: GIFN BAND MEMBERS ONLY
